

RFMST–The Learning Environment

1. Respect & Kindness

The classroom will be a place of respect and kindness.
A respectful and kind environment includes:

- Being polite and giving everyone a turn to talk and ask questions
- Positive communication and encouraging words
- Patience with everyone's learning abilities

Respect for ourselves
guides our morals;
respect for others guides
our manners.

-Laurence Stern

2. Healthy Working Environment

Read Fire and Medical & Safety Training will make every effort to provide a safe and healthy learning environment.

Healthy Learning Environment Standards Include:

- No swearing, inappropriate jokes or uttering threats
- No theft, discrimination or racism
- No illegal use of drugs, possession or distribution of any controlled substance, or use of alcohol during class.

**if a student does not adhere to the Healthy Learning Environment Standards, the instructor will inform the student of classroom expectations immediately. In the event that the behaviour continues, the student will be asked to leave the classroom.*

"In everything, do to others
what you would have them
do to you

-Matthew 7:12

Learning Environment will be made clear at the beginning of each course. Instructors will also lead by example, teaching with unquestionable professional conduct.
